

B2B Client Account Setup and Invoice Submission

To create invoices for our B2B accounts, we have created the GreenTek Portal.

- 1) As a new business client, providing the **manager's name, email address, billing/shipping address, and phone number** will allow our team to create a new account for you across our entire platform that will be emailed to you for reference. Then, login to your account at www.GreenTekPlanet.com/my-account/

Business Account Portal

Register/Login below to manage your account, browse our full catalog, and build B2B orders using our Quoting Calculator. Click Submit to send your request to our team, and we will respond with a confirmation email and payment link to process your order! **Note: B2B clients receive price breaks of up to 50% on pallet, 10 pallet, and shipping container volume orders!**

- 2) To review our available products, you can view our catalog by clicking directly on the **"View Product Catalog!"** Button on your B2B Account Dashboard. To customize the order (unique colors, labeling, wrappers, sizes, etc...) click the **"Custom Order Form"** button and email the completed form to Sales@GreenTekPlanet.com.

- Once you have logged in, select the Quoting Calculator button to build an invoice. Select the **Category** of products you are interested in, and the **Product** Box will fill with all available options. Enter the quantity of cases of this product you are interested in ordering, and click "Add to Order" to begin building your quote.

Welcome to the GreenTek Planet B2B Quote Calculator. Select the Category and specific Product, enter the quantity of cases desired, and click Add to Order to see your quote! Prices drop based on order volume at a pallet, 10 pallets, and a full container load. Click "Submit Now" once you are satisfied and a member of our team will review and send a confirmation email to complete your order. Thank you!
